9:30 PM “End-of-Night Chaos” Begins.

All new matches are reduced from 7 points to 5 points.

A Field of 8 may be split into 2 Fields of 4 at the discretion of the Tournament Director.

Additional Player Options (both players must agree).

- Shorten match to 3 points or 1 point.
- Start doubling cube on 2.

10:30 PM No new match starts after 10:30 PM.

10:45 PM No new game starts after 10:45 PM.

Unfinished matches are settled by roll of 2 dice w/o regard for doubles. Roll-off ties result in a re-roll.

Match leader in unfinished matches get bonus points reflecting the size of his lead, e.g., leader ahead 4-2, leader get 2 points added to his dice roll.

Any Semi-Final match settled by a roll-off will automatically result in a split in the Final (no further roll-offs).

NOTE: Wins or Losses resulting from a dice roll will not influence win streaks for 1000-1 Club consideration.
